Keep Praying

This past week, I attended a revival where the preacher reminded us of the necessity of prayer. He preached about Daniel and his dedication to prayer.. He reminded us of any number of things. One of these was about the consistency of prayer. That was only one of the points, but it reminded me that we are to pray with out ceasing.

We have been calling on the Lord to bless us and help our church grow. We have been praying for others to join us in worship. We have been praying for a change in our church's situation. I wonder how many of us have stopped praying because you think it is not working. The Bible tells us that sometimes our prayers are not answered because we are praying

for the wrong reason. Nevertheless, we are never told not to pray. We pray continuously because we believe God. We pray because we know that God is always working on our behalf we do not know God's time, but we do know that God is working. We keep praying because God continues to work on our behalf. We keep praying because God has promise to meet our every need. We keep praying because God keeps his promises. We keep praying because God is going to work it out. We keep praying because God has been faithful. Keep praying because God is listening. This week be committed to praying for our church every day.

Even as you pray for our church, pray for our Pastor.

Church Anniversary

Start planning now for our 49th Church Anniversary. Plan to be present and be a part of the worship. Invite others to come and join with us in the celebration. We will have a special guest preacher, special music and a great time of fellowship. We will have flyers to share with our family and friends.

Church Picnic

We had a good time at the Church Picnic. Food was good and the fellowship was good. Thanks to all who helped to make it a success.
